

Along the tranquil backwaters of Konaseema, Andhra Pradesh seafood has always been a way of life

For generations, coastal communities have relied on the ocean's bounty to sustain their livelihoods and culture

VSD Sea Foods Pvt Ltd was born from this heritage — with a vision to bring the freshness of coastal seafood directly to consumers in a clean, organized and reliable manner

By combining traditional sourcing with modern processing standards we ensure that every product maintains freshness, quality and authentic taste

Today, VSD Sea Foods continues to grow as a trusted seafood supplier serving households, restaurants and retail partner
